Protection

Highly valued protection cover is offered to the nominated beneficiaries who receive benefits upon the unfortunate demise of the policyholder. Such benefits may either be the sum assured or the accumulated cash value of the funds, whichever is higher.

Maturity of the Plan

At end of the term of the plan, you will receive the cash value accumulated during the term of the plan.

Benefits

Apart from the standard applicable benefits such as protection and investment, Jubilee Shandur Plan also gives you additional benefits, and the liberty to choose from various optional insurance benefits, based on your goals and financial capabilities.

For receiving benefits and sum assured, you can nominate an immediate family member as beneficiary.

Additional benefits

1. **Automatic Cover Maintenance:** In case you cannot meet your premium payments after the first policy year, you will still be eligible for the life insurance cover, as long as your plan's cash value is sufficient to pay for charges made against your policy.
2. **Ad-hoc Premium:** If you have any extra funds available at any stage, you can place them as investments under Jubilee Shandur Plan in any of the funds of your choice. Adding ad-hoc will enhance your cash value.

Optional Benefits

1. **Accidental Death Benefit:** An additional amount will be paid to the nominated beneficiaries in case of accidental death of the policyholder.
2. **Family Income Benefit:** In order to meet the recurring expenses, an additional regular income will be paid for a specified period to the immediate family, in case of an untimely death of the policyholder.
3. **Hospitalization Cash Rider:** The policyholder will receive a daily benefit of up to PKR 15,000 per day if he/she is confined to a hospital. The benefit payable is to be doubled in case of hospitalization due to any one of the specified critical illnesses. In case the policyholder is confined to an ICU, an additional 50% benefit will be payable. Spouse and children can also be covered under this plan.
4. **Accidental Death or Dismemberment:** An additional amount will be paid to nominated beneficiaries/policyholder in case of dismemberment or death caused by an accident.
