Islamic Schedule of Bank Charges (I-SOBC) for the period from 01.01.2023 to 30.06.2023

To: The Managers, All Islamic Banking Branches and Islamic Banking Windows

From: Islamic Banking

We are enclosing the Islamic Schedule of Bank Charges (I-SOBC), effective from January 01, 2023 to June 30, 2023 and for the convenience of branches, all revisions/ additions have been highlighted. The amendments have been made by relevant Business/ Operations stakeholders.

We would like branches to note the following:

- a) All charges do not include Sales Tax (ST)/ Federal Excise Duty (FED); therefore, a separate column has been added to inform branches whether ST/ FED is applicable on the particular services. All back-end charges which are recovered through the system at day-end/ month-end will include ST/ FED. At the same time, charges auto recovered by the system in branches with ETS terminals already include ST/ FED.
- b) Wherever charges are negotiated with customers or as per specific agreement or on actual basis, branches should calculate ST/ FED separately at the rate mentioned against each Province/ geographical area.
- c) The ST/ FED levied by the Government makes it obligatory on the Bank to pay ST/ FED on nearly all its income other than mark-up income and dispatch/ communication charges and no customer including Government Organizations/ Institutions are exempted from recovery of ST/ FED.
- d) HOK will continue to pay ST/ FED centrally to the Government in respect of the Bank's overall income.
- e) All 12 branches (list attached), located in areas which are exempted by the Government from the levy of ST/ FED, should NOT recover ST/ FED from their customers.
- f) Exemptions from recovery of charges based on balances in CD/ Profit Earning Accounts of Individuals and Companies are given in Part 'U' of the I-SOBC. Branches should note that waivers of the charges based on the account balances maintenance criteria given, should only be granted for the categories of charges listed under Part 'U' and not for charges included under other parts.
- g) All respective stakeholders/ product owners who have revised their product/ service charges, are responsible to ensure that these charges have been appropriately updated in the system through IT and they should ensure that the same are being correctly recovered from the customers.

All Managers of Branches/ Corporate & Commercial Centres/ Sub-Centres are advised to carefully study the attached I-SOBC and hold a meeting with all their staff, who are involved in the processing of transactions to go through the complete I-SOBC so that everyone thoroughly understands the changes which have been highlighted and are able to recover them correctly and guide customers accordingly. Please ensure that each

Departmental Head to be provided with a copy of that section of the I-SOBC which relates to his/ her particular area, so that it is readily available with him/ her for reference.

A copy of I-SOBC should be available on all counters of the branch and also placed on the Branch's Notice Board in the customer area, one month before 1st Jan 2023. The I-SOBC booklets, when received, may be provided to customers on request. The revised I-SOBC will also be posted on the Bank's website: www.hbl.com and a notice about the revision of our I-SOBC will appear in prominent newspapers in December 2022.
